

BOOT BARN®

Kelli Anderson

Kelli Anderson, from Tulsa, Oklahoma, was selected as our sixth 2023 Boot Barn Exhibitor of the Day.

Ever since Kelli was a little girl, she has always been in the horse world. Showing horses runs in Kelli's family. Growing up, she showed Hunter/Jumper with her sister and Reining with her dad. Kelli came to Color Breed Congress as an assistant rider, riding horses who needed exercise.

Horton, "The Hottest Fox Yet," came into Kelli's life a little over a year ago. He stands at a staggering 16.3 hands at only 5 years old. When asked her favorite memory with Horton Kelli said, "Everyday with Horton is a wonderful experience." Together, they show in trail and ranch classes. Horton's favorite hobbies include playing with his pasture mates, tearing his blankets, and munching on molasses treats.

Showing at Color Breed Congress is a family event for Kelli. She would like to thank her Mom, Kimberly, Dan, and Tabitha for being here to support her and keeping her company as they show along next to her in the show ring. It's hard to miss Horton so if you see the team make sure to wish them luck!
