

Photography, Video and Recognition

Media and photographers must request credentials at the show.

The Pinto Horse Association has entered into exclusive contracts for the sale and distribution of photographs and video, or any other PtHA events including but not limited to the Pinto World Championship and Color Breed Congress. PtHA reserves the right to regulate access to horse show facilities and to determine the use of the facilities by any vendor, photographer, or any other individual or parties.

Commercial photographers are limited to the Official Horse Show Photographer and Videographer and to press photographers credentialed by PtHA. Anyone wishing to take images or video for media purposes will be required to obtain a media pass from PtHA marketing.

Professional and/or commercial photography or video without prior consent of PtHA is forbidden. Social media coverages is considered commercial photography or video, unless provided by a recognized magazine or digital publication, and therefore is not eligible for press credentials. Exhibitors have the option of contracting with the official show photographer for specific coverage during the show or photo shoots on the show grounds for advertising and social media distribution.

Any images related to these events; photo, video or brand recognition are the sole property of PtHA, and will be defended under the United States Federal Copy Right Infringement Laws. Any unauthorized use of the Pinto World Championship and the Color Breeding Congress logos is strictly prohibited.
